

ST NARSAI
ASSYRIAN CHRISTIAN COLLEGE

2022
NAPLAN RESULTS

Message from the Principal

At St Narsai Assyrian Christian College, our aim is to empower students to achieve academic and personal excellence, and to inspire them to achieve their best always.

The college offers quality educational courses to ensure excellence is maintained, and to enable holistic student development in spiritual, intellectual, physical, and social aspects of being, reflecting the diverse needs of a life-long learning process.

Our students enjoy a broad academic program in an environment that integrates learning, cultural heritage, religious instruction, gospel values, and spiritual formation

into all aspects of a comprehensive and challenging curriculum. Our skilled teachers and staff are committed to improving learning outcomes for all students by engaging and motivating them to achieve their personal best.

We congratulate our Years 7 & 9 students, their parents and college staff for the 2022 improved NAPLAN results. Overall, students achieved growth across all domains.

Mr Edwar Dinkha
Principal

Message From Our Leadership Team

Percentage of Students in the Top 2 Bands

“ Year 7 and 9 students performed above state average in Writing and Spelling and out-performed Statistically Similar Schools Group in all the NAPLAN domains. They have shown significant improvements in all domains in both year groups. This is a testament to the hard work of both staff and students over the past two years of COVID disruptions.”

Mary Khina, Deputy Principal

“ Our exceptional 2022 NAPLAN results are a credit to the students in Year 7 and 9, reflective of all their hard work throughout an incredibly difficult 2021. Impressively, our results demonstrate St Narsai students are continuing to grow their literacy skills at a higher rate than the state. Congratulations to our conscientious students and their dedicated teachers who continually strive for success in all areas of learning.

Amy Kurver, English Coordinator

“ Congratulations staff, students and parents on another year of success in our Numeracy skills in the 2022 NAPLAN examinations. The hard work, dedication and persistence of both staff and students resulted in outstanding achievement and overall growth and progress in our college’s results. Thank you to our dedicated team of teachers who continuously give up from their own time to guide our students to great achievements.

Adwena David, Maths Coordinator

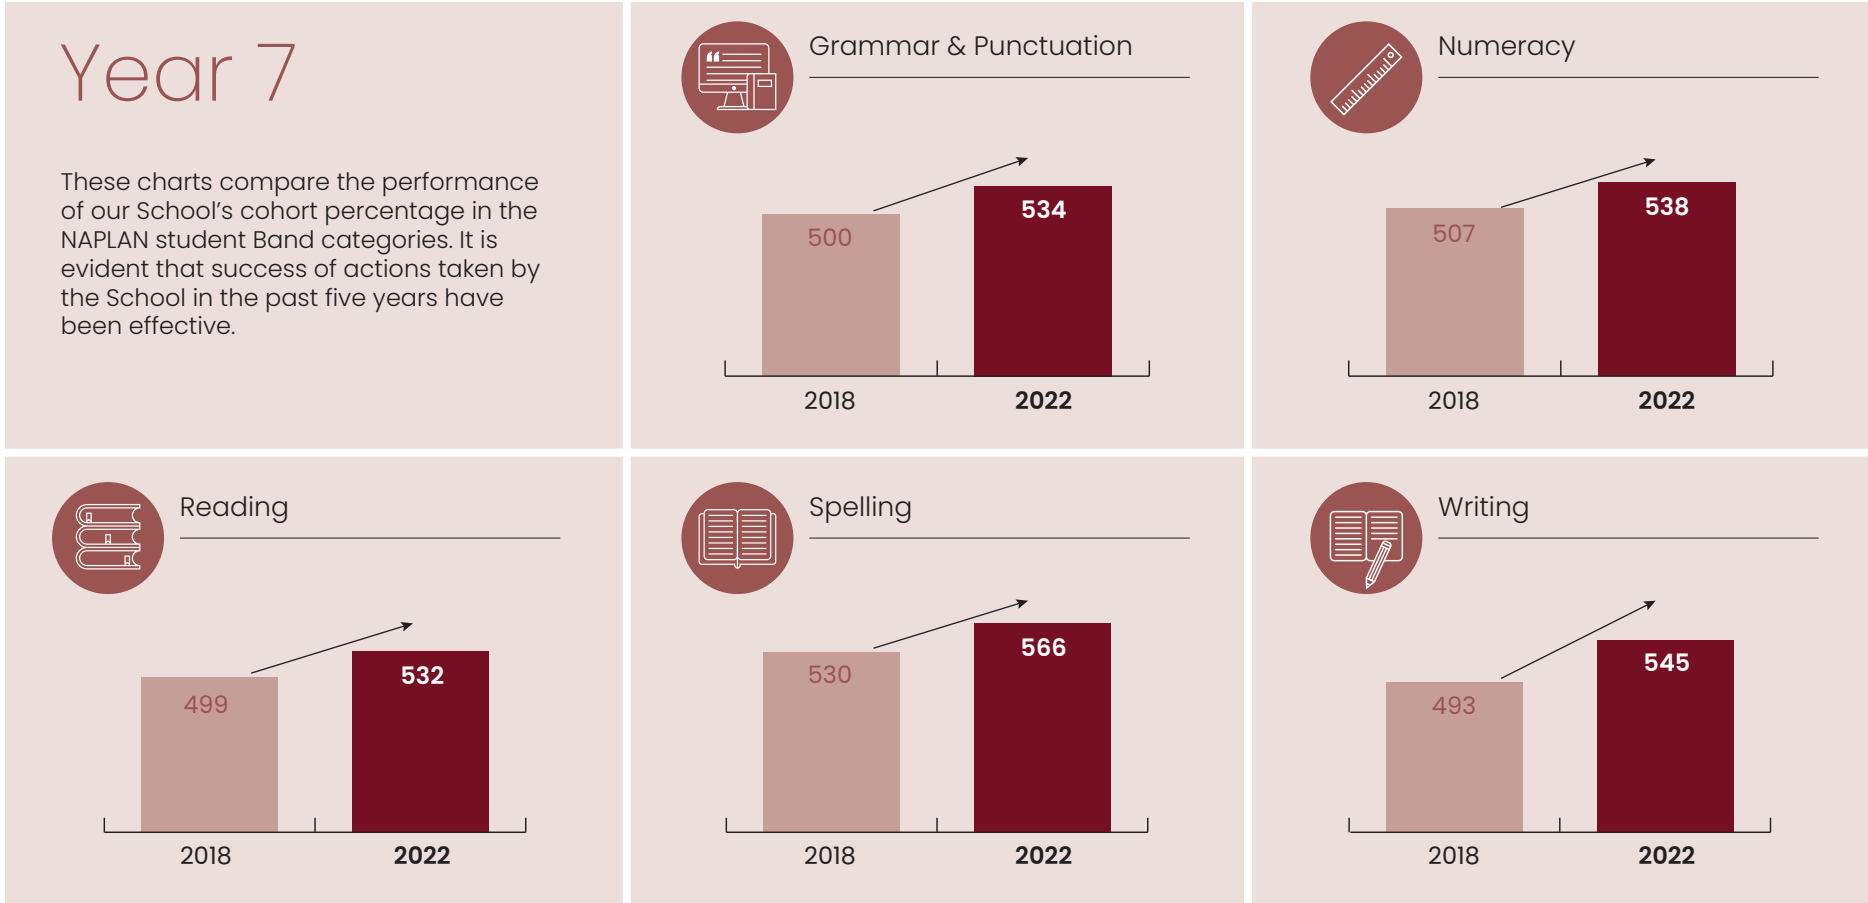

Year 7

Year 9

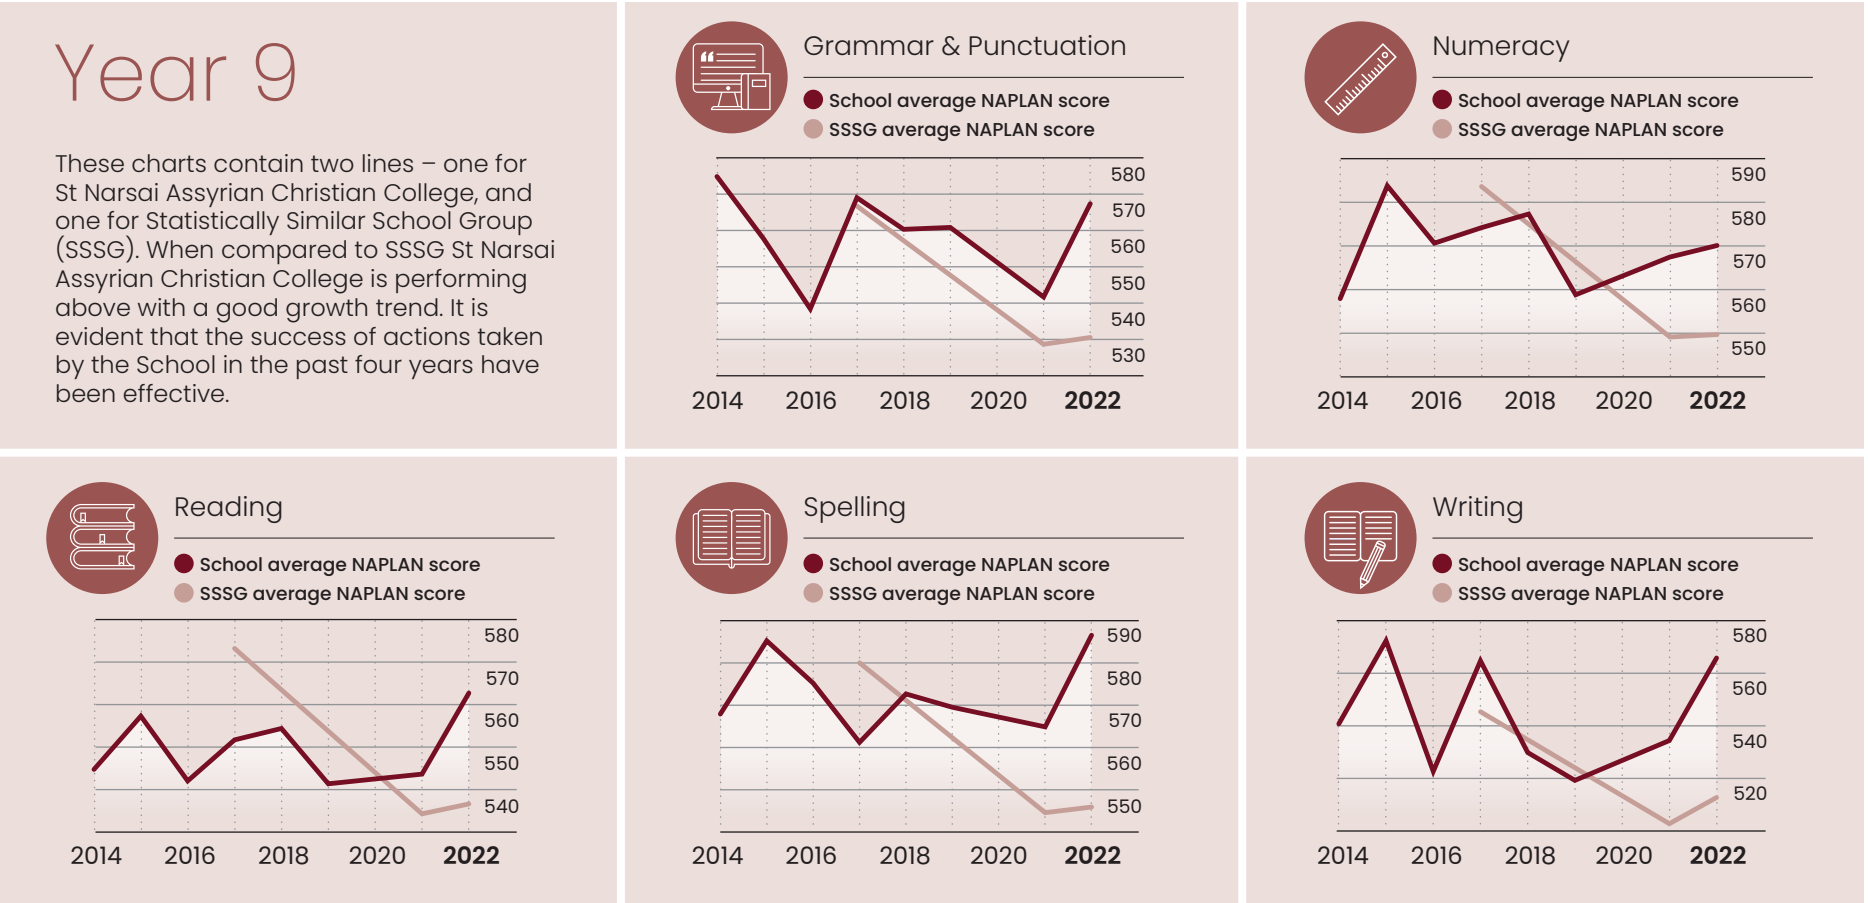

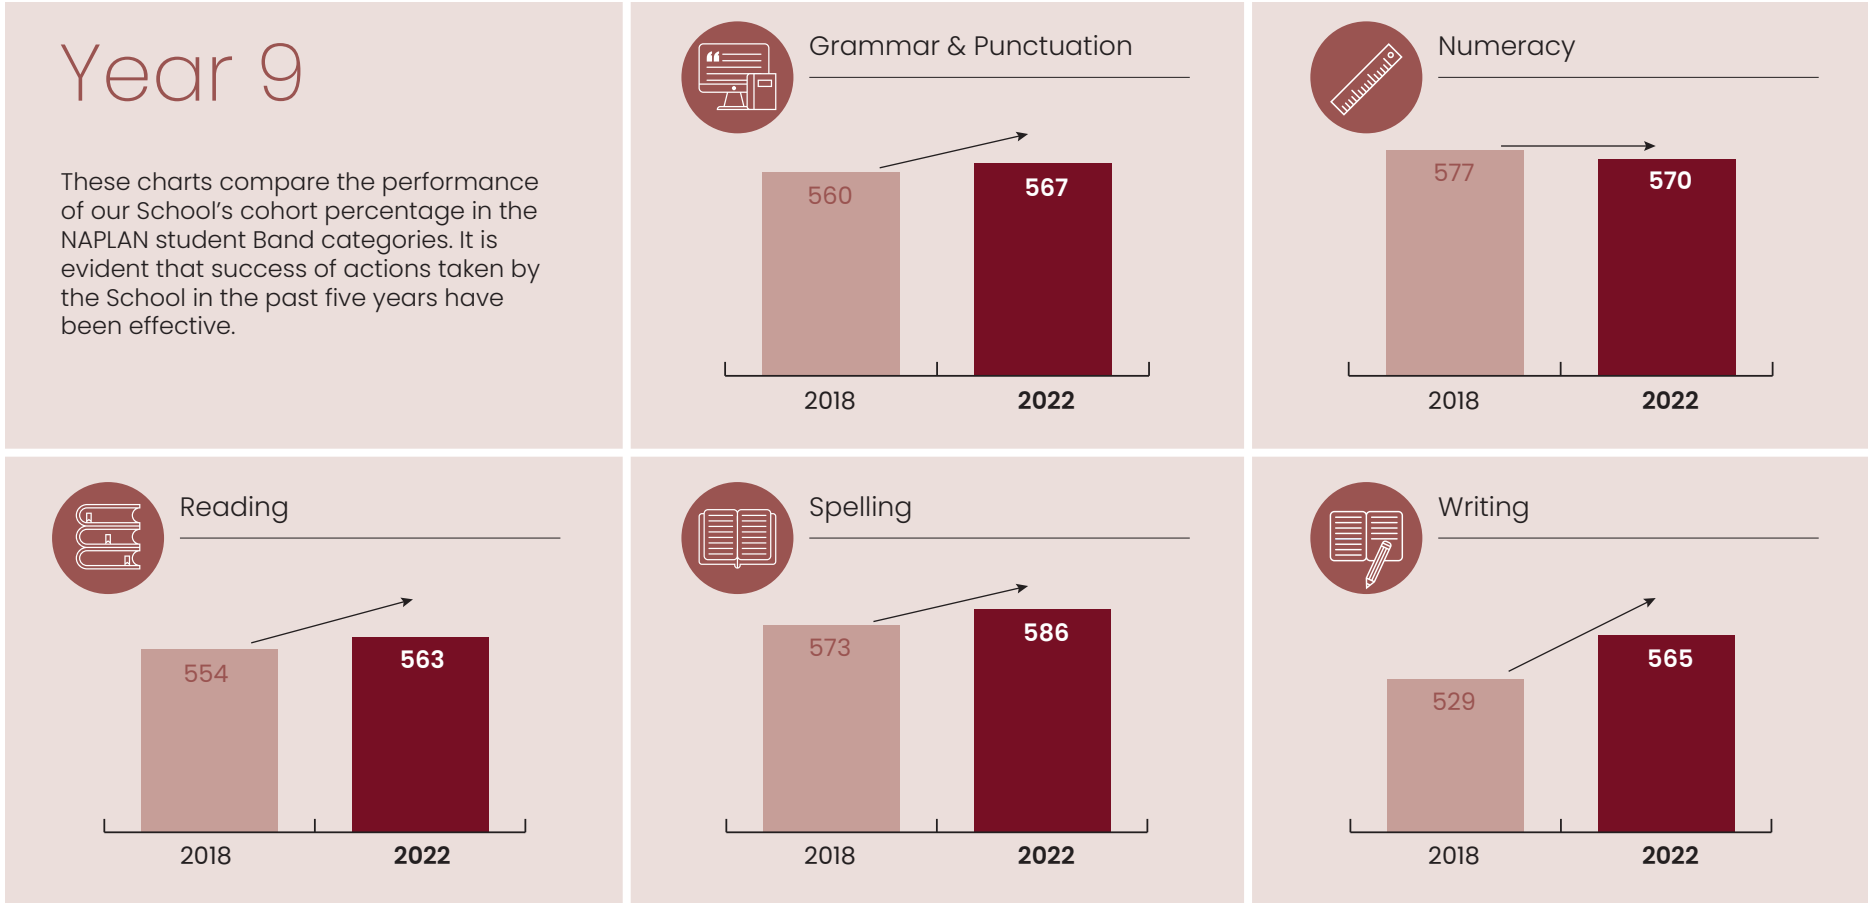

5-Year Growth Comparison (mean score)

5-Year Growth Comparison (mean score)

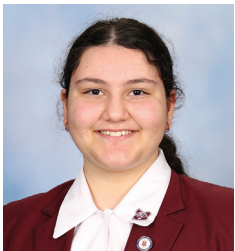

Growth Over Time (2014 to 2022)
