2023  
NAPLAN RESULTS

# Leadership Team

## Message from the Principal

This year's NAPLAN results are a cause for celebration for our college community. Both Year 7 and Year 9 students have achieved significant results, topping the national average across the domains of Writing, Grammar and Punctuation, Spelling and Numeracy. These impressive results have come about as a consequence of a new literacy and numeracy action plan that was introduced in 2021 as well as other college best practices in learning and teaching.

The fact that a large cohort of these students achieved within the two highest proficiency levels demonstrates the effectiveness of our approach to enhancing students' literacy and numeracy skills across the college.

Congratulations to our Year 7 and Year 9 students and all college staff for a well-deserved accomplishment in this year's NAPLAN tests.

**Mr Edwar Dinkha, Principal**

## Message from the Deputy

In 2023 students in both Year 7 and Year 9 at St Narsai Assyrian Christian College have delivered remarkable NAPLAN outcomes, surpassing the national average across the domains of Writing, Grammar and Punctuation, Spelling and Numeracy. Our College has achieved an impressive array of successes, marked by a substantial number of students attaining levels of exceeding and strong proficiencies. This resounding accomplishment is a clear testament to our holistic approach to fostering literacy and numeracy skills throughout the entire school.

These outstanding results not only demonstrate the persistent dedication of both our staff and students but also showcase the unwavering commitment to students' academic growth. We congratulate our students and the devoted educators who tirelessly strive for success in every area of learning, every day.
